

## PERMISSION FOR USE OF HISTORICAL MATERIALS

1. Subject to the terms and conditions hereinafter set forth, I hereby give my permission to the **Emery County Archives** ("Archives") to use my papers, photographs and other historical materials.
2. Use of all rights of copyright I have to the materials shall pass to the Archives upon their delivery to the same.
3. The materials shall be maintained, organized and made available for research under the usual procedures of the Archives. I understand that any time after delivery of the materials I shall be able to examine them during the regular working hours of the Archives or by appointment. The materials will not be made available to researchers until a standard inventory of their contents has been prepared and, if applicable, a copy received by me.
4. Materials which have been restricted from access shall be reviewed from time to time by the Archives representatives and any materials which, because of the passage of time or other circumstances no longer require such restrictions, shall be opened to public access. I understand I will be notified before this restriction is opened to public access.
5. The Archives may not dispose of any materials which its representatives determine to have no historical value or permanent interest but shall return those materials to me.
6. In the event that I may from time to time hereafter loan to the Archives additional papers and other historical materials, the provision of this instrument shall be applicable to such additional papers and other historical materials. A description of the additional papers and other historical materials so delivered for use shall be prepared and attached hereto as Appendix B, C, etc.
7. Upon my request, the originals shall be returned to me.
