Any amount received in excess of the taxes due to all local governments and any administrative costs by the County shall be treated as surplus property and paid to the State Treasurer.

State law requires payments on delinquencies be applied first to the interest and administrative costs accrued on the delinquencies for the last year included in the delinquent account at the time of payment, then payment is applied to the penalty charged for the last year included. After, payments are applied in the same manner to the delinquent year prior to the last year included on the tax sale, payment going towards the most recent year of interest, penalties, and delinquent taxes until paid in full.

A parcel will not be withdrawn from the tax sale unless the year of delinquent taxes triggering the inclusion of the parcel on the tax sale list, with its corresponding penalties and interest are

paid in full.

16. If a successful bidder fails to tender payment as required, the property may, at the discretion of the Board of County Commissioners, be struck off to the County. Properties struck off to the County may only be sold for fair market value, not the amount of the tax arrearage, the excess sale proceeds being treated according to the State law and unclaimed property requirements.
17. No absentee or collusive bidding shall be permitted.
18. No person or party who has a conflict of interest shall be permitted to bid. Emery County employee(s) or official(s) may bid on a parcel, subject to these rules.
19. The County Clerk/Auditor or Board of Commissioners shall withdraw a parcel from the tax sale, due to the discovery of irregular or erroneous assessment, deficient legal description, or may withdraw a parcel if withdrawal is in the best interest of the County. If the County Clerk/Auditor withdraws a parcel based on it being in the best interest of the County, the Clerk/Auditor must issue a written finding as to the reason for withdrawal, which then must be approved by the Board of County Commissioners, pursuant to State law.
20. The County Clerk/Auditor shall disclose the properties withdrawn from the tax sale, for reasons other than redemption, at the regularly convened meeting of the Board of Commissioners, preceding the tax sale and the meeting after the tax sale.
21. The Board of County Commissioners may reject acceptance of property stricken off to the County by the County Clerk/Auditor.
22. There shall be no preference given to any bidder.
23. Property taxes for the current year are not included in the tax sale, as they are not considered delinquent at the time of the tax sale.
